All I wanna do (I know) with you (everyday)

never knowing what you've done to me  
nothing ever seems to be so beautiful

you will never know (did you know) what I meant  
(futuristic)  
all I wanna do (you never know) with you (cause you  
never mind)  
You will never know (did you know) what (futuristic)

All I wanna do (I know) with you (everyday)  
you will never know (did you know) what I meant  
(futuristic)  
all I wanna do (you never know) with you (cause you  
never mind)  
You will never know (did you know) what (futuristic)
