

# Devil Woman

Cliff Richard

I've had nothing but bad luck  
Since the day I saw the cat at my door  
So I came into you sweet lady  
Answering your mystical call

Crystal ball on the table  
Showing the future, the past  
Same cat with them evil eyes  
And I knew it was a spell she cast

She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you...  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you from behind...

Give me the ring on your finger  
Let me see the lines on your hand  
I can see me a tall dark stranger  
Giving you what you hadn't planned

I drank the potion she offered me  
I found myself on the floor  
Then I looked in those big green eyes  
And I wondered what I came there for...

She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you...  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you from behind...

If you're out on a moonlit night  
Be careful of them neighbourhood strays  
Of a lady with long black hair  
Tryin' to win you with her feminine ways

Crystal ball on the table  
Showing the future, the past  
Same cat with them evil eyes  
You'd better get out of there fast...

She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you...  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you...

She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you...  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you...

She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you...  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you...
