

Move It

Cliff Richard

C'mon pretty baby let's a move it and a-groove it
Well shake oh baby, shake oh honey, please don't lose it
The rhythm that gets into your heart and soul
Well, let me tell you baby, it's called rock 'n' roll

They say it's gonna die but please let's face it
Well, they just don't know what's a goin' to replace it
Yeah, ballads and calypsos they got nothin' on
Real country music that just drives along

Well, move it

C'mon pretty baby let's a-move it and a-groove it
Well shake-a baby, shake-a honey, please don't lose it
The rhythm that gets into your heart and soul
Well, let me tell you baby, it's called rock 'n' roll

They say it's gonna die but please let's face it
They just don't know what's a-goin' to replace it
Ballads and calypsos have nothin' on
Real country music that just drives along

Oh honey, move it
Hey move it
A-ha move it
A-ha move it
