

The Reaper

Clinton Sparks

Na -na- na- na- na- na
Na -na- na- na- na- na

This sound of heaven
They got a dollar to my name
Never gave me nothing
I took it all and kept the chance
All this broke ass hustling
Been sleeping in the streets
It's just another misunderstood sucker with this beats

I'm just a son with no father
How got his hands under water
Good Lord have mercy
(Na -na- na- na- na)
I hold and say the rain don't home for me
Good Lord have mercy
(Na -na- na- na- na)
Imma just save to the day I'm free
Good Lord have mercy
(Na -na- na- na- na)
I thank God for the? on my sleep
Good Lord have mercy
(Na -na- na- na- na)
I just need some company
Til the reapers comes
Til the reapers comes
Na -na- na- na- na- na
Na -na- na- na- na- na

Cheaper to keeper, the meapa, I'm in my fever
Body get back to a sleeper
Fill up the great weape
Keep up but you can't keep up
Sneap up but you'll have?
Wont be no secrets from my cuz this is for my people
Like having rights so I can break it down and educate
And try to hellafate and teach how they could cay
Wake up, wake up, you see time is running out
Keep it close mouth, stay on the round wild
And take the time now, I come to find out

I'm just a son with no father
How got his hands under water
Good Lord have mercy
(Na -na- na- na- na)
I hold and say the rain don't home for me
Good Lord have mercy
(Na -na- na- na- na)
Imma just save to the day I'm free
Good Lord have mercy
(Na -na- na- na- na)
I thank God for the? on my sleep
Good Lord have mercy
(Na -na- na- na- na)
I just need some company
Til the reapers comes

Til the reapers comes
Na -na- na- na- na- na
Na -na- na- na- na- na
