

## Broken Soul

Close To Home

The night fell into me when we met  
No feeling can with stand  
The way I felt when she took my hand  
She only knows what emotions  
When truth comes to an end  
A broken soul inside my hands  
Broken soul inside my hands

People tell me I will be fine  
Everything will work out in time  
This is for the best  
I know. I know.  
I cried for you when you said goodbye  
You lost a love that cost me my life

The truth in every lie  
You fall for every time  
If I were you  
I wouldn't live that way  
Have you forgotten how to love  
Knowing there is someone up above  
That's not what I have heard  
There's a broken soul on my hand

People tell me I will be fine  
Everything will work out in time  
This is for the best  
I know. I know.  
I cried for you when you said goodbye  
You lost a love that cost me my life  
My life  
My life

But you stole this world away  
People tell me I will be fine  
Everything will work out in time  
This is for the best  
I know I know  
I cried for you when you said goodbye  
You lost a love that cost me my life
