

## Immanoleo (The Mummy)

Closterkeller

I had this dream  
Many times before  
But what happens to me now  
I really wanna know  
Cannot close my eyes  
I see his face again  
And he's calling me  
This haunting name:  
Immanoleo...  
And I run outside  
Trying to escape  
But he's following me now  
This time it seems to late  
Blood is running cold  
I don't know who I am  
And he's calling me  
This haunting name:  
Immanoleo...  
Dark empty sky  
As far as I can see  
And this pyramid above me now  
Reveals my destiny  
Centuries ago  
He buried me in hell  
Now I'm falling again  
Under his spell:  
Immanoleo...  
Immanoleo...  
Immanoleo...  
Immanoleo...
