Woman, I can remember a woman

Warm were her kisses and tender was she lying there in my arms Why

Why, did you deceive me so?

What devil inside made you go when I needed you most of all Oh daughter of darkness

Stay out of my life, my life

You took my heart and broke it apart, you daughter of darkness Daughter of darkness

Please, leave me alone forever

Daughter of darkness, gone is the love that we shared together Heaven, we had our own kind of heaven

Sharing together the magic of love in a world of our own

Then oh so suddenly you were gone

The love I depended upon disappeared when you weren't away

Oh daughter of darkness

Stay out of my life, my life

You took my heart and broke it apart, you daughter of darkness Daughter of darkness

Please, leave me alone forever

Oh devil daughter of darkness, gone is the love that we shared together  $\ensuremath{\mathsf{C}}$ 

Oh daughter of darkness

Stay out of my life, my life

You took my heart and broke it apart, you daughter of darkness Oh daughter of darkness

Stay out of my life, my life

You took my heart and broke it apart, you daughter of darkness Daughter of darkness

Please, leave me alone forever

Oh devil daughter of darkness, gone is the love that we shared together
