

## Jesus Walk With Me

Club 8

When I wake up in the morning  
feel the sun shine on my face  
I get up and I'm yawning  
There is so much time I can waste

Cause I need this  
God feed me with your love  
And take me through the day

Fool me into believing  
I don't care if your deceiving me  
I wouldn't want it any other way  
'Cause then I'd only stay the same

Fool me into believing  
I don't care if your deceiving me

When I wake up in the dawning  
And the day is not far away  
Find my way in a dark room  
That my eyes fail to see through

If God made me  
Will Jesus save me?  
And take me through the day

Fool me into believing  
I don't care if your deceiving me  
I wouldn't want it any other way  
'Cause then I'd only stay the same

Fool me into believing  
I don't care if your deceiving me  
Before I go I need to be  
Something more than the skin and bones you see

'Cause everywhere I go  
Everywhere I've been  
And everywhere I'm going to  
I only go with you
