

# #1Nite (One Night)

Cobra Starship

We're in the spot right now  
Ch-checking it out  
Packed from wall to wall it's going down no doubt  
Got girls to my left, drinks to my right  
I can tell that this is gonna be one of them nights

Whatever you need is on the dance floor  
Can't wait anymore because it don't last forever  
So turn up that spotlight  
Gonna tear it up like we got one night

'Cause tomorrow morning we'll be leaving  
So right now you better jump right in  
Tomorrow morning we'll be leaving  
So let's keep it rocking 'til daylight

Gotta live like we got one night, one night, one night  
Gotta live like we got one night, one night, one night  
'Cause you know we just got one life, one life, one life  
So gotta live like we got one night, one night, one night

I got one hand up the other on you  
Got me in a spell yeah girl the way you move  
Tomorrow ain't real tonight is our truth  
Gonna have you screaming out gotta make you say ooh, ooh, ooh

We're falling in love on the dance floor  
Girl you and me we'll make this last forever  
The future is so bright  
Gonna live it up like got one night

'Cause tomorrow morning we'll be leaving  
So right now you better jump right in  
Tomorrow morning we'll be leaving  
So let's keep it rocking 'til daylight

Gotta live like we got one night, one night, one night  
Gotta live like we got one night, one night, one night  
'Cause you know we just got one life, one life, one life  
So gotta live like we got one night, one night, one night

'Cause tomorrow morning we'll be leaving  
So right now you better jump right in  
Tomorrow morning we'll be leaving  
So let's keep it rocking 'til daylight

Gotta live like we got one night, one night, one night  
Gotta live like we got one night, one night, one night  
'Cause you know we just got one life, one life, one life  
So gotta live like we got one night, one night, one night
