

It's Only Make Believe

Cock Robin

My one and only prayer is that someday you'll care
My hopes, my dreams come true, my one and only you
No one will ever know how much I love you so
My only prayer will be someday you'll care for me
But it's only make believe
My hopes, my dreams come true, my life I'd give for you
My heart, a wedding ring, my all, my everything
My heart I can't control, you rule my very soul
My only prayer will be someday you'll care for me
But, it's only make believe
People see us everywhere
They think I really care
But myself I can't deceive
I know it's only make believe, make believe
My one and only prayer is that someday you'll care
My hopes, my dreams come true, my one and only you
No one will ever know how much I love you so
My hopes, my prayers, my schemes, my all, my everything
Only make believe, it's only make believe
But it's only make believe, make believe
But it's make believe, my all, my everything
Oh make, oh make, make believe
