

Just Around the Corner

Cock Robin

Things aren't quite as they seem
inside my domain

You can't know about everything
only pleasure and pain.
You wonder why I come here
with head to my hands

Where else can I be cured
and the king of your
mansion?
A thorn in your side
and a child to protect
that claims he's free.

Just around the corner
half a mile to heaven

Strong enough to hold you
starved for some affection.
Darling come quickly
come ease my mind
For my prayers have not been answered
in a long time.

I've already made my bed
like it or not
As long as there's no regrets
I'll be here
when the ride stops.
These comforts to me and
these crosses to bare
with which we live.

Just around the corner
half a mile to heaven

Strong enough to hold you
starved for some affection.
Baby
I can't drag you into this mess!

I'm the thorn in your side and
the child to protect.
Just around the corner
half a mile to heaven

Strong enough to hold you
starved for some affection.
Darling come quickly
come ease my worried mind

For my prayers have not been
answered in a long time.

Just around the corner
Strong enough to hold you

half a mile to heaven
Just around the corner.
