

Oklahoma

Cocoon

I wake up and it's Friday
No one's here right by my side
Will you hate me if I sigh
For I am too drunk to cry

And I'll sing again...
Yes I'll sing again, again, again

Oklahoma, Oklahoma
Well I don't mind
Life is a song
"A verse, a chorus and a verse"

Oklahoma, Oklahoma
Well I don't mind
When will you come ?
And how will you let me go ?

And I'll sing again...
And I'll sing again, again, again

It's not what I want to live (x 4)
