One two three four

I'm her favourite game
But I don't know the rules
I'm a piece on chess
And I always lose

She's a queen, she's a queen And her anger growls She's a queen, she's a queen And I'm breeding owls

She lost a treasure there ...treasure there In the forest's heart...forest's heart She lost a treasure there...treasure there She can't remember what

She's a queen, she's a queen And her anger growls She's a queen, she's a queen And I'm breeding owls

I've been hunting bears...hunting bears
In the forest's heart...In the forest's heart
I found a long black hair...a long black hair
She just took it back!

She's a queen, she's a queen And her anger growls She's a queen, she's a queen And I'm breeding owls
