

In Our Angelhood

Cocteau Twins

He's gonna chalk you out
In his angelhood
He's got the love, let- let us
Like he said he would, like he said he would

He's gonna chalk you out
In his angelhood
Please stand alone and let us
Like he said he would, like he said he would

Like he said he would
Like he said he would
Like he said he would
Like he said he would
Like he said he would

Like he said, the angelfish
In our angelhood
Now our heart's on the edge
Like you said they would, like you said they would

We're truly angelfish
In our angelhood
Now our heart's on the edge
Like you said they would, like you said they would

Like you said they would
In our angelhood
In our angelhood
In our angelhood

Judging you, Angelhood, Judging you
In our angelhood
In our angelhood
In our angelhood

Judging you, Angelhood, Trust in him
In our angelhood
In our angelhood
In our angelhood

Judging you, Angelhood, Trust in him
In our angelhood
In our angelhood
In our angelhood
