

# Key Entity Extraction I: Domino the Destitute

Coheed and Cambria

La la la, la la la la (4x)

If you had the courage to stop me from turning  
Into what would be the worst in everybody's eyes  
Hey, I'm no angel, or the devil of your conscience  
To tell you who to be. Good, bad, ugly or otherwise  
If you had good common sense, your choices would be gleaming flawless  
I want no part in this self-deprecating, worthless, chemistry

We made our beds to lie in them proud, proud of our great mistakes  
This warring knife, the flash of it's blade, turn about-face

I implore you, brother  
Don't walk away, don't walk away from me  
'Cause this is our war

Oh, you think they have it all while you were left with nothing  
Oh, oh, you've taken the fall for them to walk all over  
You made your bed, so soft and comforting  
These dreams await the grey good morning

We made our beds to lie in them proud, proud of our great mistakes  
This warring knife, the flash of it's blade, turn about-face

I implore you, brother  
Don't walk away, don't walk away from me  
'Cause this is our war

Oh, we've got you by the throat  
Oh!  
All you wanna be...

Welcome all to the everlasting all time low  
Please put your hands together  
For the ever-failing one man show:  
Domino!

Ladies  
And broken gentlemen,  
The undisputed champ  
Of misery  
-  
Oh and in this corner  
We find his challenger  
The pride of utopia  
The greatest thing ever

Oh, oh oh oh oh Ohh oh oh oh  
Ha ha haha hahahaha  
(2x)

If you could recall one moment of your past that defined you to be  
That made you the man we've come to love, all of the above

This disaster binds us absolute  
A thousand lies  
You tell yourself

That no one ever loved you right  
Ooh, but I would do anything for you  
The question fits the question mark  
Your signals crossed, your message lost!  
Haha!

La la la, la la la la! (4x)

This wall won't hold forever  
Your time has come, it's now or never

We made our beds to lie in them proud, proud of our great mistakes  
This warring knife, the flash of it's blade, turn about-face

I implore you, brother  
Don't walk away, don't walk away from me  
'Cause' this is our war

One by one, we are together, we fall together!  
One by one, we are together, we fall together!

Now my brother  
Don't be afraid  
We are together, we are together!

Brother!  
We are together! We fall together!
