Key Entity Extraction I: Domino the Destitute

Coheed and Cambria

La la la, la la la la (4x)

If you had the courage to stop me from turning
Into what would be the worst in everybody's eyes
Hey, I'm no angel, or the devil of your conscience
To tell you who to be. Good, bad, ugly or otherwise
If you had good common sense, your choices would be gleaming flawless
I want no part in this self-deprecating, worthless, chemistry

We made our beds to lie in them proud, proud of our great mistakes This warring knife, the flash of it's blade, turn about-face

I implore you, brother
Don't walk away, don't walk away from me
'Cause this is our war

Oh, you think they have it all while you were left with nothing Oh, oh, you've taken the fall for them to walk all over You made your bed, so soft and comforting These dreams await the grey good morning

We made our beds to lie in them proud, proud of our great mistakes This warring knife, the flash of it's blade, turn about-face

I implore you, brother
Don't walk away, don't walk away from me
'Cause this is our war

Oh, we've got you by the throat Oh!
All you wanna be...

Welcome all to the everlasting all time low Please put your hands together For the ever-failing one man show: Domino!

Ladies And broken gentlemen, The undisputed champ Of misery

Oh and in this corner We find his challenger The pride of utopia The greatest thing ever

Oh, oh oh oh oh Ohh oh oh Ha ha haha hahahaha (2x)

If you could recall one moment of your past that defined you to be That made you the man we've come to love, all of the above

This disaster binds us absolute A thousand lies You tell yourself That no one ever loved you right Ooh, but I would do anything for you The question fits the question mark Your signals crossed, your message lost! Haha!

La la la, la la la la! (4x)

This wall won't hold forever Your time has come, it's now or never

We made our beds to lie in them proud, proud of our great mistakes This warring knife, the flash of it's blade, turn about-face

I implore you, brother
Don't walk away, don't walk away from me
'Cause' this is our war

One by one, we are together, we fall together! One by one, we are together, we fall together!

Now my brother Don't be afraid We are together, we are together!

Brother! We fall together!
