

Humankind

Coldplay

Today I heard the strangest
I heard the strangest song
(Oh, oh, oh-oh, oh, oh-oh)
(Oh, oh, oh-oh, oh, oh-oh)
A DJ a star away is
Playing it to turn us on
(Oh, oh, oh-oh, oh, oh-oh)
(Oh, oh, oh-oh, oh, oh-oh)

My heart started glowin'
I feel it inside, it is flowin'

I say, I know, I know, I know
We're only human
I know, I know, I know
How we're designed, yeah
Oh, I know, I know, I know
We're only human
But from another planet
Still they call us humankind

Today I had the strangest
Feelin' that I belong
(Oh, oh, oh-oh, oh, oh-oh)
(Oh, oh, oh-oh, oh, oh-oh)

Before I was dyin'
I feel it inside, now I'm flyin'

I say, I know, I know, I know
We're only human
I know, I know, I know
How we're designed, yeah
Oh, I know, I know, I know
We're only human
But from another planet
Still they call us humankind

Oh
Alright

Before I was dyin'
I feel it inside, now I'm flyin'

I know, I know, I know
We're only human
I know, I know, I know
How we're designed
Oh, I know, I know, I know
We're only human
But we're capable of kindness
So they call us humankind
