

# Square One

Coldplay

You're in control  
is there anywhere you wanna go  
you're in control  
is there anything you wanna know  
the future's for discovering  
the space in which you travel in

From the top of your first page  
to the end of the last page  
from the start in your own way  
you just want  
somebody listening to what you say  
it doesn't matter who you are  
it doesn't matter who you are

(...)

(...)

(...)

I said I'm on the top, I can't get back  
whoa whoa whoah  
whoa whoa whoah

The first line in your first page  
to the end of the last page  
that you (...)  
from the start in your own way  
you just want  
somebody listening to what you say  
it doesn't matter who you are  
it doesn't matter who you are

You just want  
somebody listening to what you say  
oh, you just want  
somebody listening to what you say  
it doesn't matter who you are  
it doesn't matter who you are

Is there anybody out there who  
is lost and hurt and lonely too  
they're bleeding all the colors into one  
and a few come undone  
as if you've been run through  
some catapult who fired you  
you wonder if your chance will ever come  
or if you're stuck in square one
