

# Swallowed In The Sea

Coldplay

**H F# E H**  
1. You cut me down a tree and brought it back to me  
**F# E H**  
And that's what made me see where I was going wrong  
You put me on a shelf and kept me for yourself  
I can only blame myself, you can only blame me

**E H Asmi F#**  
R: And I could write a song a hundred miles long  
**E H F#**  
Well that's where I belong and you belong with me  
And I could write it down or spread it all around  
Get lost and then get found or swallowed in the sea

2. You put me on a line and hung me out to dry  
Darling that's when I decided to go to see you  
You cut me down to size and opened up my eyes  
Made me realize what I could not see

R: And I could write a book, the one they'll say that shook the world  
And then it took, it took it back from me  
And I could write it down and spread it all around  
Get lost and then get found and you'll come back to me  
**E H**  
Not swallowed in the sea

**C#m E B F#**  
Oohhhhh ahhhhh

R: And I could write a song a hundred miles long  
Well that's where I belong and you belong with me  
The streets you're walking on, a thousand houses long  
Well that's where I belong and you belong with me

3. Oh what good is it to live with nothing left to give  
Forget but not forgive, not loving all you see  
Oh the streets you're walking on a thousand houses long  
Well that's where I belong and you belong with me  
Not swallowed in the sea

You belong with me, not swallowed in the sea  
Yeah you belong with me

**E F# H**  
Not swallowed in the sea.
