

# Us Against the World

Coldplay

Oh morning come bursting the clouds, Amen.  
Lift off this blindfold, let me see again.  
And bring back the water, let your ships roll in, in my heart,  
she left a hole.

The tightrope that I'm walking just sways and ties.  
The devil, as he's talking, with those angel's eyes.  
And I just wanna be there when the lightning strikes.  
And the saints go marching in

And sing slow it down,  
Through chaos as it swirls,  
It's us against the world.

Like a river to a raindrop,  
I lost a friend.  
My drunken has a Daniel in a lion's den.  
And tonight I know it all has to begin again,  
So whatever you do,  
Don't let go.

And if we could float away,  
Fly up to the surface and just start again.  
And lift off before trouble just erodes us in the rain  
Just erodes us in the rain  
Just erodes us and see roses in the rain

Sing slow it down  
Slow it down

Through chaos as it swirls,  
It's us against the world.  
Through chaos as it swirls,  
It's us against the world
