

Inside Out

coldrain

Hate is hate
I won't forgive and I won't forget
So let's stop pretending

Hopeless, we waste away
There's nothing left and I won't follow you
Down the hole that you dig
It's time you heard me from the inside out
You left me bleeding in vain
Did you really think we'd stay the same?
I dealt with your bullshit now deal with the truth
An eye for an eye, a tooth for a tooth

Hate is hate
I won't forgive and I won't forget
So let's stop pretending
Hate is hate
I won't give up and I won't give in
So let's stop pretending

Helpless, you disregard
Left me dead but this is not the end
Sink in sin and say you win
It's time you heard me from the inside out
You left me bleeding in vain
Did you really think we'd stay the same?
I dealt with your bullshit now deal with the truth
An eye for an eye, a tooth for a tooth
It's what you deserve

Hate is hate
I won't forgive and I won't forget
So let's stop pretending
Hate is hate
I won't give up and I won't give in
So let's stop pretending
Let's stop pretending

There's nothing worth saving now
There's nothing worth saving

Every word you speak
Makes me want to scream
Kept it underneath
But I can't control what you've done to me
Every word you speak
Makes me want to scream
Look at what you've done to me

Hate is hate
I won't forgive and I won't forget
So let's stop pretending
Hate is hate
I won't give up and I won't give in
So let's stop pretending

I won't forgive

Let's stop pretending
I won't forgive
Let's stop pretending
Let's stop pretending
Let's stop pretending now
