

Surely (i Love You)

Colin James

Surely
Surely
Surely
Surely

I, I, I, I,
Well I love her
V-v-love her
V-v-love her
V-v-love her
V-v-love you

Come rain, come snow, come a-come sunshine
Your love would stop the rain
It would melt the snow
Girl your mine
Mine
And all I've got to say
Ah when I feel this way
Is that I, I
I love her
V-v-love her
V-v-love her
V-v-love her
V-v-love you

Well I love you because
Darlin' you're so real
You show this heart of mine
How real true love it ought to feel

Surely
Surely
Surely
Surely

I, I, I, woah!
Watch it now

I love you because
Honey you're so real
You show my achin' heart
How real true love it ought to feel

Surely
Surely
Surely
Surely
I, I, I, I
Well I love her
V-v-love her
V-v-love her
V-v-love her
V-v-love you
