

Where Y'at

Colin James

Where y'at, where y'at
Oh little baby blue
Where y'at, where y'at
Oh little baby blue
Where y'at, where y'at
Oh little baby blue
Where y'at, where y'at
Oh little baby blue

Well I want somebody to bring my angel home

I looked all over, I looked all over New Orleans
I looked all over, I looked all over New Orleans
Got to find my baby this morning

Where y'at, where y'at
Oh little baby blue
Where y'at, where y'at
Oh little baby blue
Where y'at, where y'at
Oh little baby blue
Where y'at, where y'at
Oh little baby blue

Well I want somebody to bring my angel home

I looked all over, I looked all over New Orleans
I looked all over, I looked all over New Orleans
Got to find my baby this morning

Where y'at
Where y'at
Where y'at
Where y'at
Where y'at

Where y'at
Where y'at
Where y'at
Where y'at
Where y'at

I want somebody to bring my angel home
