

I'm sleeping to encompass myself
I wake up then distribute what's left
With my anger well defused
The link to love I now may choose
With my heart no more abused
The link of love I now may use

I'm sleeping to develop myself
I wake up then rel;inquish what's left
With my anger well diffused
The link to love I now may choose
With my heart no more abused
The link of love I now may use

I was caught by your lies spinning
then was saved by truth's opinion
All's quiet now
