Collective Soul

I'm sleeping to encompass myself I wake up then distribute what's left With my anger well defused The link to love I now may choose With my heart no more abused The link of love I now may use

I'm sleeping to develop myself I wake up then rel; inquish what's left With my anger well diffused The link to love I now may choose With my heart no more abused The link of love I now may use

I was caught by your lies spinning then was saved by truth's opinion All's quiet now
