

Chaotic

Collide

your intuition
alters your mind
superstition
damage control
in your dimension
thoughts to unwind
in your direction
meant to unfold

mind exploding, out of control
mind exploding, all that you know

chaotic pure hypnotic
sure don't want to let it go

inside
i'm electric and pure
chaotic
hypnotic
until i'm through
undefined
i'm connected and pure
chaotic
hypnotic
until i'm gone

inside your vision
bending the rules
your thoughts conditioned
counting from zero
in your direction
just one molecule
in your transition
meant to unfold

mind exploding, out of control
mind exploding, all that you know

chaotic pure hypnotic
sure don't want to let it go

inside
i'm electric and pure
chaotic
hypnotic
until i'm through
undefined
i'm connected and pure
chaotic
hypnotic
until i'm gone

chaotic
hypnotic
chaotic
hypnotic

chaotic pure hypnotic sure
