

Part of My Life

Collie Buddz

It's 3am I'm fucked up
So many things on my mind
And lately I've had no luck
It's like I'm runnin' outta time
Wid mi job and mi money
And all da bill dem keep cummin
Dem type a thing deh not funny
Close to credit card max
From de drinks and de rummy
Buy out de bar last night like a dummy
I fucked up

Sometimes that's just how it goes
It's just a part of my life
Raise ya glass high and make a toast
It's gonna be alright
Do everything dat can do today
To make tomorrow all bright
Sometimes that's just how it goes
It's just a part of my life

When tings get low mi roll up
Cuz it help mi fi clear my mind
Me need a plan fi turn things round
Haffi get my life back in line
Haffi fix up mi credit
And cook food in a mi yard
Instead a go out for get it
Haffi stop spend mi money
Just as soon as me make it
Mi have de chance now an mi affi take it
Yeah right now

Sometimes that's just how it goes
It's just a part of my life
Raise ya glass high and make a toast
It's gonna be alright
Do everything dat can do today
To make tomorrow all bright
Sometimes that's just how it goes
It's just a part of my life

It's just a part of my life
It's just a part of my life
It's just a part of my life
It's just a part of my life

Sometimes that's just how it goes
It's just a part of my life
Raise ya glass high and make a toast
It's gonna be alright
Do everything dat can do today
To make tomorrow all bright

Sometimes that's just how it goes
It's just a part of my life
Sometimes that's just how it goes

It's just a part of my life
Raise ya glass high and make a toast
It's gonna be alright
Do everything dat can do today
To make tomorrow all bright
Sometimes that's just how it goes
It's just a part of my life
