Everytime I see a woman on a billboard sign I think about you
Saying "drink this beer and you'll be mine"
I think about you
When an actress on a movie screen
Plays Lolita in some old man's dreams
It doesn't matter who she is
I think about you

When I see a pretty woman walking down the street
I think about you
Men look her up and down like she's some kind of treat
I think about you
She wouldn't dare talk to a stranger
always has to be aware of the danger
it doesn't matter who she is
I think about

You eight years old big blue eyes and a heart of gold when I look at this world, I think about You and I can't help but see that every woman used to be Somebody's little girl, I think about you

Everytime I hear people say it's never gonna change I think about you
Like it's some kind fo joke, some kind of game
I think about you
When I see a woman on the news
who didn't ask to be abandoned or abused
it doesn't matter who she is
I think about.

You eight years old big blue eyes and a heart of gold when I look at this world, I think about You and I can't help but see that every woman used to be Somebody's little girl, I think about you

When I look at this world I think about you
