

Moving toward tomorrow
Learning to live with sorrow
With my eastern eyes open wide
Waiting for a sunrise most the time

I'm a broken arrow
I'm a fatal error
Missed my mark, I forgot my lines
Waiting for a sunrise

I'm so tired of living like
I don't have what it takes
I don't have what it takes and
I'm still waiting for the day
Where I'm more than mistakes
More than mistakes
I will be glorious
I will be glorious

On my own I'm no one
On my own I follow
Searching every evening's lonely sky
When all I need's a sunrise

I'm so tired of living like
I don't have what it takes
I don't have what it takes and
I'm still waiting for the day
Where I'm more than mistakes
More than mistakes and
I will be glorious
I will be glorious

I can feel the sunrise on my skin

I'm so tired of living like
I don't have what it takes
I don't have what it takes and
I'm still waiting for the day
Where I'm more than mistakes
More than mistakes and

I will be glorious [x4]
