

# Sorry

Colorfactory

In my mind's eye  
I'm ok  
I'm gonna get my things  
and then I'll be ok

but looking at you  
and all the faces that you do  
I begin to lose my nerve

sorry - i'm so sorry

in my own mind  
I'm ok  
I'm gonna get my things  
and then I'll be ok

but looking at you  
and all the faces that you do  
I begin to lose my nerve

sorry - i'm so sorry

in my mind's eye  
I'm ok  
I'm gonna get my ball  
and then I'll be ok.

but then looking at you  
and all the faces that you do  
when I begin to lose my nerve.

sorry - i'm so sorry
