

## Drowin' My Sorrows

Connie Francis

I'll be drowning my sorrows over you  
I was happy when you were my true love  
Now I find that I'm losing my mind  
'Cause they told me that you found a new love  
Now I know that the fates are unkind  
That's why I'm drowning my sorrows  
Facing lonely tomorrows  
Drowning my sorrows  
In an ocean of tears  
My broken heart keeps recalling  
As my teardrops keep falling  
That I'm drowning my sorrows over you  
Now I know that my bridges are burning  
'Cause there'll never be no one else for me  
So I pray, darling, soon you'll be returning  
And you'll break these chains of love and set me free  
Till then I'm drowning my sorrows  
Facing lonely tomorrows  
Drowning my sorrows  
In an ocean of tears  
My broken heart keeps recalling  
As my teardrops keep falling  
That I'm drowning my sorrows over you  
Yes, I'm drowning my sorrows over you
