

## Fallin'

Connie Francis

I got the feelin' I'm a-fallin'  
Like a star up in the blue  
Like I was fallin' off Niagara  
In a paddle boat canoe  
I got the feelin' I'm a-fallin'  
And it's all because of you  
Like I was walkin' on a tight rope  
Swingin' in the breeze  
And though I tried to keep my balance  
Well, I just weakened in the knees  
I got the feelin' I'm a-fallin'  
Lover, help me please  
Like a leaf falls from a branch  
Like a rock slide avalanche  
Like the rain on a stormy day  
I never thought I'd fall this way  
I thought that love could never touch me  
Yeah I was mountain high  
And then my ivory tower toddled  
And I tumbled from the sky  
I got the feelin' I'm a-fallin'  
Lover, you're the reason why  
Like the light when he met his pole  
Like the walls of Jericho  
Like Delilah's home in town  
When Samson tore it down  
I thought that love could never touch me  
Yeah I was mountain high  
But then my ivory tower toddled  
And I tumbled from the sky  
I got the feelin' I'm a-fallin'  
And you're the reason why  
Ooh, you're the reason why  
Yeah, you're the reason why  
Mmm baby, you're the reason why
