

# I Love You More and More Everyday

Connie Smith

I love you more and more every day.

They said our love was just emotion  
That time would slowly fade away  
But time only deepens my devotion  
I love you more and more every day.

The day you said those tender vows beside me  
My joy was more than words could ever say  
And darling still it grows and grows inside me  
I love you more and more every day.

The day you said those tender vows beside me  
My joy was more than words could ever say  
And darling still it grows and grows inside me  
I love you more and more every day.

I love you more and more every day...
