

Before The Next Teardrop Falls

Conway Twitty

If he brings you happiness
Then I wish you both the best
It's your happiness that matters most of all
But if he ever breaks your heart
If the teardrops ever start
I'll be there before the next teardrop falls.

Though it hurts to let you go
Darling, I want you to know
I'll stand by you if ever you should call
And if I should ever hear
That he's made you shed a tear
I'll be there before the next teardrop falls.

I'll be there anytime you need me by your side
To dry away every teardrop that you've cried
And if he ever leaves you blue
Just remember that I love you
I'll be there before the next teardrop falls.

I'll be there before the next teardrop falls...
