

Don't Cry No More

Conway Twitty

Don't you cry no more, hey baby, don't cry
Don't you cry no more, baby, hey baby, don't cry
Don't she'd a tear, don't she'd a tear baby
Don't you cry no more, hey baby, don't cry.

Well, you could cry me a river, come on cry me a sea
Yeah baby, I believe our love's up, you really, really, really
love me
So yeah, yeah, yeah, yeah.

Well, you could cry me a river, come on cry me a sea
Yeah baby, I believe our love's up, you really, really, really
love me
So yeah, yeah, yeah, yeah
