Hangin' On

Conway Twitty

You've got me where you want me You keep stringing me along Just enough to keep me a hangin' on

It's true, you have me twisted around your finger It seems that's where I belong You know how to hold me, thrill me and control me Just enough to keep me a hangin' on Oh, just enough to keep me a hangin' on

My heart is like a yo-yo on a string
I'm tied to you, right or wrong
My love keeps a growing 'cause your love keeps a showing
Just enough to keep me a hangin' on
Oh, just enough to keep me a hangin' on

A love that's strong as mine Will make me do most anything Like hiding tears and heartaches And dreaming silly dreams

You've got me where you want me You keep stringing me along Just enough to keep me a hangin' on Oh, just enough to keep me a hangin' on
