

# I Can't See Me Without You

Conway Twitty

I can't see you in my arms anymore  
And I can't see me without you.

Is it day, is it night  
Am I losing my sight  
Is it over, are we really through?  
I can't see you in my arms anymore  
And I can't see me without you.

I can't see me without you to lean on  
And I can't see you leaving or gone.  
I could never see anything you wanted me to  
And I can't see me without you.

I see the house, you once called your home  
And I see the door you walked through  
And I see the road you're leaving me on  
But I can't see me without you.

I can't see me without you to lean on  
And I can't see you leaving or gone  
I could never see anything you wanted me to  
And I can't see me without you...
