

# Ribbon Of Darkness

Conway Twitty

Ribbon of darkness over me since my true love walked out the do  
or  
Tears I never cried before ribbon of darkness over me  
Clouds're gathering o'er my head it chills the day and hides th  
e sun  
And shrouds the night when day is done ribbon of darkness over  
me

Rain is fallin' on the meadow where once my love and I did lie  
Now she's gone from the meadow my love goodbye  
Ribbon of darkness over me where once the world was young as sp  
ring  
Where clouds're bloomin' birds did sing ribbon of darkness over  
me  
[ guitar ]  
In this cold room lying don't want to see no one but you  
Lord I wish I could be dying to forget you  
How I wish your heart could see my mind just takes the breaks o  
f day  
Come on back and take away ribbon of darkness over me  
Come on back and take away ribbon of darkness over me
