

## To See An Angel Cry

Conway Twitty

See her there, see her crying,  
She thinks she loves him so  
She don't know how much it hurts me  
To hear her beg him not to go.

If she were mine again  
I'd never let the tears fill her eyes  
She don't know how much it hurts me  
To see an angel cry.

Once she built her world around me  
But like a fool I tore it down  
And she begged me not to leave her,  
Just the way she's doing now.

Now, she's begging to another  
With that same hurt in her eyes  
She don't know how much it hurts me  
To see an angel cry.

I didn't know how much I loved her  
Till she turned and walked away  
I didn't know how much I'd hurt her  
Till I saw her here this way.

If she were mine I'd hold her forever  
and dry the tears from her eyes  
She don't know how much it hurts me  
To see my angel cry.

She don't know how much it hurts me  
To see my angel cry...
