

# Roll With You

Corbin Bleu

Roll with you  
Yeah, roll with you  
Roll with you

It's in your eyes just love the way you walk away, knowing that I'm watching you.  
Everything about us I can see, it's just the way I thought that it could be.  
When you take my hand it's like I never wanna stop the way I feel right now.  
You're getting' to me like a fever I can't shake.  
Like I'm dreamin' while I'm wide awake.

Lucky, my friends say I'm lucky.  
Steepin' in the city with you it's lock down.  
Crazy, I must be crazy.  
Cuz it feels crazy good.

When I roll with you in the night, music ragin', floor is shakin'  
Couldn't get any better than this, doesn't get any better than this.  
Wanna roll with you by my side, beats bangin', sensation.  
Couldn't get any better than this, doesn't get any better than this.

Took a little time for me to find a way for me to really be myself.  
Always hangin' out and runnin' with the crowd  
Then you dropped the bomb, gave me something that nobody ever did before.  
Kinda like this groove it just feels right, kinda like the stars light up the night.

Lucky, my friends say I'm lucky.  
Steepin' in the city with you it's lock down.  
Crazy, I must be crazy.  
Cuz it feels crazy good.

When I roll with you in the night, music ragin', floor is shakin'  
Couldn't get any better than this, doesn't get any better than this.  
Wanna roll with you by my side, beats bangin', sensation.  
Couldn't get any better than this, doesn't get any better than this.

Nothin' better baby, but you and me in the glow, you feel the same way, and I like it  
When you  
Let me know let me know.  
Special somethin', I don't know what it is, but I count my blessings that you're right here with me.

I wanna roll with you in the night, music ragin', floor is shakin'.  
Couldn't get any better than this, doesn't get any better than this.  
Wanna roll with you by my side, beats bangin', sensation.  
Couldn't get any better than this, doesn't get any better than this.

Just wanna roll with you in the night.  
Roll with you.  
Music bangin', floor is shakin'.  
Couldn't get any better than this, doesn't get any better than this.  
Wanna roll with you by my side, beats bangin', sensation.  
Couldn't get any better than this, doesn't get any better than this.
