

# Never Surrender

Corey Hart

Just a little more time  
Is all we're asking for  
'Cause just a little more time  
Could open closing doors  
Just a little uncertainty  
Can bring you down

And nobody wants to know you now  
And nobody wants to show you how

So if you're lost and on your own  
You can never surrender  
And if your path won't lead you home  
You can never surrender

And when the night is cold and dark  
You can see, you can see light  
Cause no one can take away your right  
To fight and to never surrender

With a little perseverance  
You can get things done  
Without the blind adherence  
That has conquered some

And nobody wants to know you now  
And nobody wants to show you how

So if you're lost and on your own  
You can never surrender  
And if your path won't lead you home  
You can never surrender

And when the night is cold and dark  
You can see, you can see light  
'Cause no one can take away your right  
To fight and to never surrender  
To never surrender

And when the night is cold and dark  
You can see, you can see light  
No one can take away your right  
To fight and to never surrender  
To never surrender

Oh, time is all we're asking for  
To never surrender  
Oh, oh, you can never surrender

Time is all you're asking for  
Stand your ground, never surrender  
Oh, oh, oh, oh, I said  
You never surrender, oh
