Born Disco; Died Heavy Metal

Cornershop

Born disco died heavy metal, I was
Born disco and I died heavy metal
Born disco died heavy metal, I was
Born disco and I died heavy metal

Used to like the BeeGees
Now i'm into the Purple [?]

Born disco died heavy metal, I was
Born disco and I died heavy metal
Born disco died heavy metal, I was
Born disco and I died heavy metal

Before the devil [?]
I used to hit the dancefloors
Nowadays I only hit the road

Born disco died heavy metal, I was
Born disco and I died heavy metal
Born disco died heavy metal, I was
Born disco and I died

Born disco died heavy metal, I was
Born disco and I died heavy metal
Born disco died heavy metal, I was
Born disco and I died heavy metal

Stake out the 7/11
But I was bored upon the co-op

Born disco died heavy metal, I was
Born disco and I died heavy metal
Born disco died heavy metal, I was
Born disco and I died heavy metal

I never level
I used to hit the dancefloors
Nowadays I only hit the road
So tonight, I stole the town from a local

Born disco died heavy metal, I was
Born disco and I died heavy metal
Born disco died heavy metal, I was
Born disco and I died heavy metal
Born disco died heavy metal, I was
Born disco and I died heavy metal
