

At Your Side

The Corrs

D G Emi7 G

When the daylight's gone and you're on your own,

And you need a friend, just to be around

I will comfort you, I will take your hand

And I'll pull you through, I will understand

And you know that

I'll be at your side, there's no need to worry

Together we'll survive through the haste and hurry

I'll be at your side

If you feel like you're alone, and you've nowhere to turn

I'll be at your side

If life's standing still and your soul's confused

And you cannot find which road to choose

If you make mistakes, you can't let me down

I will still believe, I will turn around

And you know that

I'll be at your side, there's no need to worry

Together we'll survive through the haste and hurry

I'll be at your side

If you feel like you're alone, and you've nowhere to turn

I'll be at your side
