

## Baby Be Brave

The Corrs

Maybe deep down inside, you don't believe it  
Your wailing wall, it isn't weeping at all  
And you're not worthy of adoration  
You're scared that somebody somewhere's gonna find  
the burst pipe  
And as fast as they bow down they'll leave you behind

But baby be brave cause what's the point of it all  
What's the point of it all, yeah  
Baby don't blow it, tell me what's it all for  
If you're not terrified to fail  
Are you terrified to fail?

Way far down below you don't feel it  
Yeah everyone knows but we don't believe it  
The pain of a pop star you're breaking my heart

But baby be brave cause what's the point of it all  
What's the point of it all, yeah  
Baby don't blow it, tell me what's it all for  
If you're not terrified to fail

(Confide in me, tell your story)  
Are you terrified to fail?  
(it's your fear that makes you worthy)

I know what you're doing 'cause  
God I've been tempted, you are  
Drowning the special to  
Immortalize the rise  
And what's the point of it all  
If you're not terrified to fail

(Confide in me, tell your story)  
Are you terrified to fail?  
(it's your fear that makes you worthy)  
I'm terrified to fail  
(Confide in me, tell your story)  
Are you terrified to fail?  
(it's your fear that makes you worthy)
