

Dear Life

The Corrs

Girl from the east end
Knows love's never suspect
Says I'm in the sisterhood of man

And I was born to live and love
To live and love so I
Live like I'm losing and holding on for dear life

Boy from the west end
Knows love never gives up
Says I am in the brotherhood of man

And I was born to live and love
To live and love so I
Live like I'm losing and holding on for dear life

Let's make a past we all wanna relive
Let's make a memory we don't wanna forget

And sing that we were born to live and love
To give love so I
Live like I'm losing and holding on for dear life
Live like I'm losing and holding on for dear life

I'm from a small town
I know that love's never wrong Say I have faith in the brotherhood of
man

And I was born to live and love
To give love so
I Live like I'm losing and holding on for dear life

Let's make a past we all wanna relive
Let's make memories we don't wanna forget

And sing that we were born to live and love
To give love so I
Live like I'm losing and holding on for dear life
Live like I'm losing and holding on for dear life

Let's make a past we all wanna relive
Be part of an era we don't need to forgive

And sing that we were born to live and love
To give love so I
Live like I'm losing and holding on for dear life
Live like I'm losing and holding on for dear life
