

# Son of Solomon

The Corrs

Early morning light  
Anyone awake  
Let him kiss me on my mouth  
For he loves me like I'm wine  
Son of Solomon

I'm the darkest of them all  
But you see the light in my soul  
Will you kiss me on my mouth?  
Will you love me like I'm wine?  
Son of Solomon

Where you will go  
I'll follow you  
Follow you alone  
I seek and you  
You find me  
Son of Solomon  
My own

I never had a friend  
In the dead of night  
Will you kiss me on my mouth?  
Will you love like I'm wine?  
Son of Solomon

Where you will go  
I'll follow you  
Follow you alone  
I seek and you  
You find me  
Son of Solomon  
My own

Where you will go  
I'll follow you  
Follow you alone  
I seek and you  
You find me  
Son of Solomon  
My own

Where you will go  
I'll follow you  
Follow you alone  
I seek and you  
You find me  
Son of Solomon  
My own

Early morning light  
Anyone awake  
Let him kiss me on my mouth  
For he loves me like I'm wine  
Son of Solomon  
Will you kiss me on my mouth?  
Will you love me like I'm wine?
