In the morning when I rise to meet You In the morning when I lift my eyes You're the only One I wanna cling to You're the first thought on my mind

Let our voices rise
All creation cries
Singing out an endless alleluia
From this moment on
Join with Heaven's song
Singing out an endless alleluia!

In the moments where You go unnoticed In the ordinary day to day Countless miracles of life around us Point like arrows to Your name

Let our voices rise
All creation cries
Singing out an endless alleluia
From this moment on
Join with Heaven's song
Singing out an endless alleluia!

Only a moment to live this life Like shooting stars burning up the night Till Heaven's opened and we arrive In Your presence, Lord In Your presence, Lord...

Let our voices rise
All creation cries
Singing out an endless alleluia
From this moment on
Join with Heaven's song
Singing out an endless alleluia!

There's nothing better
There's nothing better
There's nothing better
Than this right now... now-ow-ow
There's nothing better
There's nothing better
There's nothing better
There's nothing better
Than this right now... now-ow-ow

In the evening when I lay my head down
In the evening when I close my eyes
You're still the only One I wanna cling to
You're the last thought on my mind
