Your presence is all I'm longing for Here in the secret place Your nearness is all I'm waiting for Here in the quiet place And here in the secret place My soul waits for you alone Just like the watchmen wait for dawn And here I've finally found the place Where we'll meet, Lord, face to face I've finally found where I belong I've finally found where I belong, in your presence I've finally found where I belong, Lord To be with you, to be with you I've finally found where I belong, yeah I've finally found where I belong, in your presence I've finally found where I belong, Lord To be with you Your presence is all I'm longing for Here in the secret place Your nearness is all I'm waiting for Here in the quiet place And here in the secret place My soul waits for you alone Just like the watchmen wait for dawn And here I've finally found the place Where we'll meet, Lord, face to face I've finally found where I belong I've finally found where I belong, in your presence I've finally found where I belong, Lord Just to be with you, to be with you I've finally found where I belong, yeah I've finally found where I belong, in your presence I've finally found where I belong, Lord Just to be with you, yeah For I am my Beloved's and He is mine So come into your garden and take delight in me And take delight in me And I am my Beloved's and He is mine So come into your garden and take delight in me, Lord

And take delight in me

Delight in me, delight in me

Delight in me, delight in me

And I am my Beloved's and He is mine

So come into your garden and take delight in me

And take delight in me

'Cause I am...

Delight in me, delight in me Delight in me, delight in me

Here in Your presence, God, I find my rest Here in Your presence, God

Here in Your presence, God, I find my rest Here in Your presence, God
