## **Should've Known**

## **Cosmic Gate**

I am censored by my fear I am hollowed, when you're near Can you feel the passion deep in here? Do you understand the tears? What's the price I'll have to pay Should I take the offer you make What's the least I'll have to say Eye to eye we meet and then you take I should've known, you would leave me this way I should've known, you'd have to leave You could've shown, some dignity You could have shown me what to believe I should have known You could have shown I am censored by my fear I am hollowed, when you're near Can you feel the passion deep in here? Do you understand the tears? I should have known You could have shown
