

# Zeplin Song

Courtney Love

Will you accept a collect call  
From Robert Plant?  
We picked him up on Vine  
On a bus bench singing that song  
This is not the 1st time  
He was so cute  
Jonny Punk Rock, so cynical  
You woulda jumped him too!

Why are the burners always toast?  
Why are the stoners always stoned?  
Why did the chicken cross the road?  
The Zeplin song

I got a job minimum wage & a tabledance  
He drinks my beer and plays guitar  
He's on my bed wasted every night when I come home  
Play the same 'ol lead again & again..

Sometimes I gotta say shutup  
Sometimes I gotta say so what  
I don't think that it's so punk  
What's with the Zeplin song

Sometimes I gotta ride  
Sometimes I gotta hide  
Sometimes I press rewind  
I gotta throw the trash out  
He's on a stairway to hell  
Yeah that is him  
Playin' the zeplin song again & again & again & again & again & again

I'm a guitar  
Honest pop single cut away  
Please don't play that song on me again  
I'll explode  
I'll break all my strings, stop playing shit  
Like the Sex Pistols are anything

Why does he rain on my parade?  
Why does the song remain the same?  
I can't remember my own name  
I work for minimum wage  
Oh go sell it to Jimmy Page  
At the crosses the deal he made  
Cuz that song ain't goin' away  
Oh God the Zeplin song  
Nono the Zeplin song  
Here comes the Zeplin song  
Oh God the Zeplin song  
SHUT UP!
